

The following instructions screen images (provided by PMI) detail how to claim PMI PDU's for the 2010 KPM Symposium.

The screenshot shows a web browser window displaying the PMI PDU reporting interface. The page title is "Report Professional Development Units". On the left, there is a navigation menu with items like "Professional Development Units (PDUs)", "Projects e", "Santa Catarina.", "nd", "redentials", "redential", "Activity Reporting", "Registered Education", "Provider", "e", "y", "er". The main content area is titled "Report Professional Development Units" and includes a progress bar from "Start" to "Complete". Below the progress bar, a welcome message states: "Welcome to the online PDU Activity Reporting Form. This form can be used to submit PDU claims in compliance with PMI's Continuing Certification Requirements program." The section "Select PDU Category Step 1" provides instructions: "PDU category and sub-category (if applicable). Indicate which of the categories best describes the activity reported." Two dropdown menus are present: "PDU category" (selected: "Cat 3: Registered Education Provider program/PMI Comp") and "Activity type" (selected: "Find an Activity (Course or Event)"). Below these, a message states: "You have selected Cat 3: Registered Education Provider program/PMI Component Event. Please remember that this category has the following limitations: PMP®/PgMP®: No maximum; PMI-SP®/PMI-RMP®: No maximum." A note at the bottom says: "Please note that these category limitations are based on current rules. These rules are subject to change at any time and PMI will alert you to those changes. Therefore, you may note differences in the category limitations between the time when you completed the activity and now." A "Print PDU Category Limits" link is at the bottom left. On the right side, there is a list of links: "Provider User Guide", "PMP Handbook", "PgMP Handbook", "PMI-RMP Handbook", "PMI-SP Handbook", and "Have questions? Contact PMI Customer Care". Below this is a "Quick Search" section with a search box and a "SEARCH" button. The browser's taskbar at the bottom shows several open applications: "nbox - Microsoft Out...", "RE: ROWS Slides and...", "CCRS-PDU Claim - Wi...", and the system tray shows "Internet", "150%", and "3:07 PM".
