University of Tulsa

Walter Viali

Walter is a Project Management and Project Management Office (PMO) Management Consultant, **Certified Project Management Professional (PMP)** with a varied background in different industries, which has included several domestic and international assignments. Walter was also a Certified Software Quality Analyst (CSQA) for many years.

Principal Consultant and co-founder of PMO To Go LLC, a Project Management training and consulting company based in Houston, Texas (www.pmotogo.com), Walter has extensive knowledge and experience in **Strategic Business Planning, Business Reengineering, Information Systems Planning, Portfolio Management, Process and Project Management, Project Management Office (PMO) implementation and Joint Application Development (JAD) session leading** (approximately 4,500 hours of facilitation in the U.S., Europe and Asia in all phases of planning, application development, process redesign and problem solving). **He has significant experience in Process and Project Management assessments based on the Software Engineering Institute's Capability Maturity Model (SEI CMM) and PMI's Organizational Project Management Maturity Model (OPM3).** Walter was an adjunct professor at the University of Houston College of Technology in the Project Management Faculty.

He has been quoted in several trade journals and books over the years and has published articles on Business Reengineering and Information Technology issues. Walter has made numerous presentations on Strategic Planning, Application Development strategies and Business Reengineering at several conferences, seminars, colleges and universities from 1987 up to the present. **He has also delivered several presentations on Project Management topics to numerous PMI Chapters and at the PMI North American Congresses in Houston and Anaheim.** Walter was a member of the PMI team that authored the first release of the PMI OPM3 assessment standard. He was President of the PMI Houston Chapter in 2007 and is currently on the Board of the PMI Clear Lake / Galveston Chapter. Walter was also recently appointed by PMI to the position of Region 6 (South and Southwest U.S.) Component Mentor for the years 2011-2013.
